When you can, would you send me the full materials first so I can do a quick once-over? **Ex. 5 Deliberative Process (DP)**  
**Ex. 5 Deliberative Process (DP)** etc and make sure Anne has all she needs. And then we can send around.  
Thanks!

Kelley,

Sounds good! I will ask Corey to switch it out, and circulate the updated materials to Brittany, Matt and the IO.

Tomorrow AM, can you ask the third floor to switch out to this copy? Also, we need to save it into the full document and make sure that gets to Brittany, Matt, et al.

Thanks!

Kelley: Okay, here is the latest (final?) version. It reflects OGC comments up through Adam. Please let me know if you have any questions.

You can send this paper forward. While we revised the paper to reflect the comments from Adam, we did not receive feedback from Matt. You may want to advise Kelley to touch base with Matt before she sends it up (and she can indicate that the paper reflects the revisions that Adam requested)?

Thanks for your patience.
